

## ANOTHER VETERAN TO THE GREAT BEYOND

General George Reese, One of the Oldest and Most Highly Esteemed  
Citizens of Pensacola Expired Sunday  
Afternoon at 5 o'clock.

Another Veteran, and one of the most widely known in the state, has passed to the Great Beyond. General George Reese, a man known, respected and loved by both his comrades and the community in general, expired at his home Sunday afternoon at 5 o'clock.

The passing away of General Reese brought sorrow to more than one family in Pensacola, in Escambia county or the entire state, for he was known in many sections, and wherever he was known he was loved and revered, for he was of that true Christian spirit which endeared him to all.

But few were aware of the fact that the esteemed citizen was ill, with the exception of those who were intimately acquainted with him, and the news of his death came as a shock to them. Death was due to la grippe, which affected the heart, and caused life's termination to be sudden. He had, during the latter portion of the week, attended the funeral of Mrs. Boykin Jones, and it is supposed that while at the cemetery he contracted the cold from which he died only a few days later.

### Seventy-Two Years of Age.

General Reese was born in South Carolina, and was over seventy-two years of age. His appearance and genial nature, however, would never have led anyone to believe that he was of this advanced age. He had a kind word for everyone, and whenever the opportunity offered always extended a helping hand to the poor and worthy.

### Member of U. C. V.

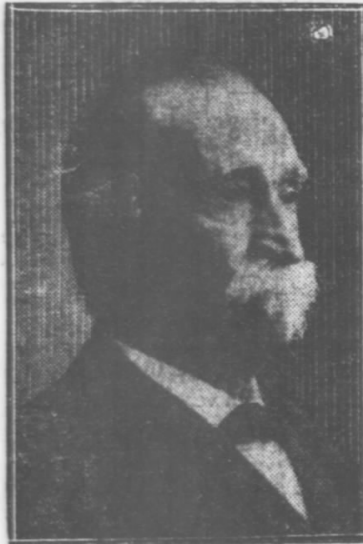

The deceased was one of the honored and enthusiastic members of Camp Ward No. 10, U. C. V., with which he had been connected since its organization. He was always in attendance at meetings and endeavored to keep the Vets. of '61 to '65 interested in the organization. He was never happier than when with comrades of the civil war and discussing events that had transpired during those days.

General Reese was honored on numerous occasions by his comrades, holding numerous positions as an officer in the camp, and also in the brigade, of which at one time, he was the head.

### Served With Distinction.

The general, as he was familiarly known in all portions of the state, served with distinction throughout the civil war. He was one of the first

members to volunteer when the Pensacola Guards were organized and went to the front to engage in the four-year conflict. Later he was attached to the Forty-Second Alabama Regiment, and was engaged in many battles, among which was the battle of Appomattox, where the Confederates under Robert E. Lee surrendered. He was a member of the Pensacola

### A Consistent Christian.

The deceased was a consistent Christian, being a member and elder of the First Presbyterian church, with which church he had been connected for many years. He was always a regular attendant at the services, and took much interest in the church. He became a member of the church when he first came to Pensacola from South Carolina before the civil war and during his residence always led an upright and Christian life.
